

MEADOW VIEW HOA EMAIL COMMUNICATION

Today's advanced technology enables us to communicate with each other by e-mail. As your Directors for the Meadow View Homeowners Association, one of our most important tasks is to keep you updated on the matters that could impact You and the Homeowner's Association.

To maintain a better level of communication, we would like to be able to contact residents by e-mail, should the need arise. This will enable us to send broadcast emails quickly and more efficiently. Please be assured that nothing of sensitive nature will be sent by e-mail and *your email address will be kept in strict confidence.*

We are certain that this arrangement will enhance our ability to serve your needs and the needs of the association by reducing the cost of traditional mailings. You can either send us your email address by sending an email to: istewart@dniproperties.com or cwancel@dniproperties.com and writing your full name, address, and subdivision name in the body of the email. Another option is to take a moment to complete the form below and return it to:
